

# So you've got a startup and want everyone to know about it?

At Maddyness we are always keen to hear from you our readers so that we can tell others about your startup, and you can do just that with #MaddyPitch. Complete the form below to tell us more about your business and we can look at promoting and publishing your work.

---

You can't say it all in a pitch, but you can still attract people's attention, with MaddyPitch you can very quickly tell us all the key details about your startup so that we can consider featuring you on Maddyness and attract our readers' attention.
