

15 Netflix shows to watch while self-isolating that could actually help your business

When self-isolating and working from home, it is essential to use this time to keep on polishing your knowledge with new interesting things related to society, experiments, business, and success. Maddyness has selected some TV programmes and documentaries currently available on Netflix to watch while staying at home during the Coronavirus outbreak.

As an entrepreneur, what are the programmes that you should be watching right now on Netflix? Sure, there's *It's Always Sunny in Philadelphia*, but there's also Business stories, food challenges, and architecture... Maddyness has selected inspiring shows available on Netflix right now that are worth a watch and will broaden your knowledge horizon and help you escape from the current health crisis.

Self Made: Inspired by the Life of Madam C.J. Walker

This extraordinary TV show traces the inspiring story of successful African American entrepreneur Madam C.J. Walker who built a haircare empire that saw her become America's first female self-made millionaire.
